1999 Finial Dedication

Johnny V. Miller

It is with great honor and a deep sense of appreciation that the 1998-99 Finial is dedicated to a man who exemplifies the Christian life.

Dr. Miller's legacy will be felt for years to come.

Along with his wife, Jeanne, Dr. Miller has been a testimony to all who have been associated with CIU. It has been a privilege having him as our president. God's blessing to Johnny and Jeanne Miller.

Johnny Miller

John Davidson

I can't imagine CIU without you. I see a real call to holiness and accountability to God. Your spiritual leadership and vision will be hard to duplicate.

Bob Kallgren

Ed Germann

Johnny Miller is who he claims to be. He strives to please God by dying to self and living for Him. It has been an honor to Serve God with him.

Ken Mulholland

Johnny has set a godly example while providing quality leadership. His presidency has set a solid foundation for the future of CIU.

Bryan Beyer

I thank God for the privilege of working with Johnny. I see a man who genuinely loves the Lord and who is deeply committed to CIU.

COLUMBIA INTERNATIONAL UNIVERSITY

Dear Students

It has been a year of transition-as every year of our life is. Sometimes it's more obvious than others-a change in status or geography or job. But even if unrecognized, the transitions

accumulate ceaselessly, setting the rhythm of our life.

*Transitions from past to future
from century to century,
from millennium to millennium.*

*Transitions from youth to maturity,
from life to death,
from earth to heaven,
from what I was to what I will be.*

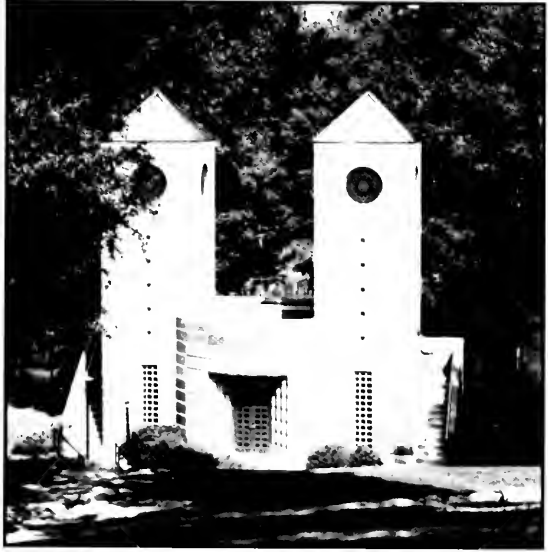

The spiritual transitions are best, from the old to the new, from filthy to clean, from darkness to light.

"But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory (transition!), just as by the Spirit of the Lord." 2 Corinthians 3:18

The greatest transition will not be finally completed until we are in God's presence, but by His grace we see the firstfruits of it now.

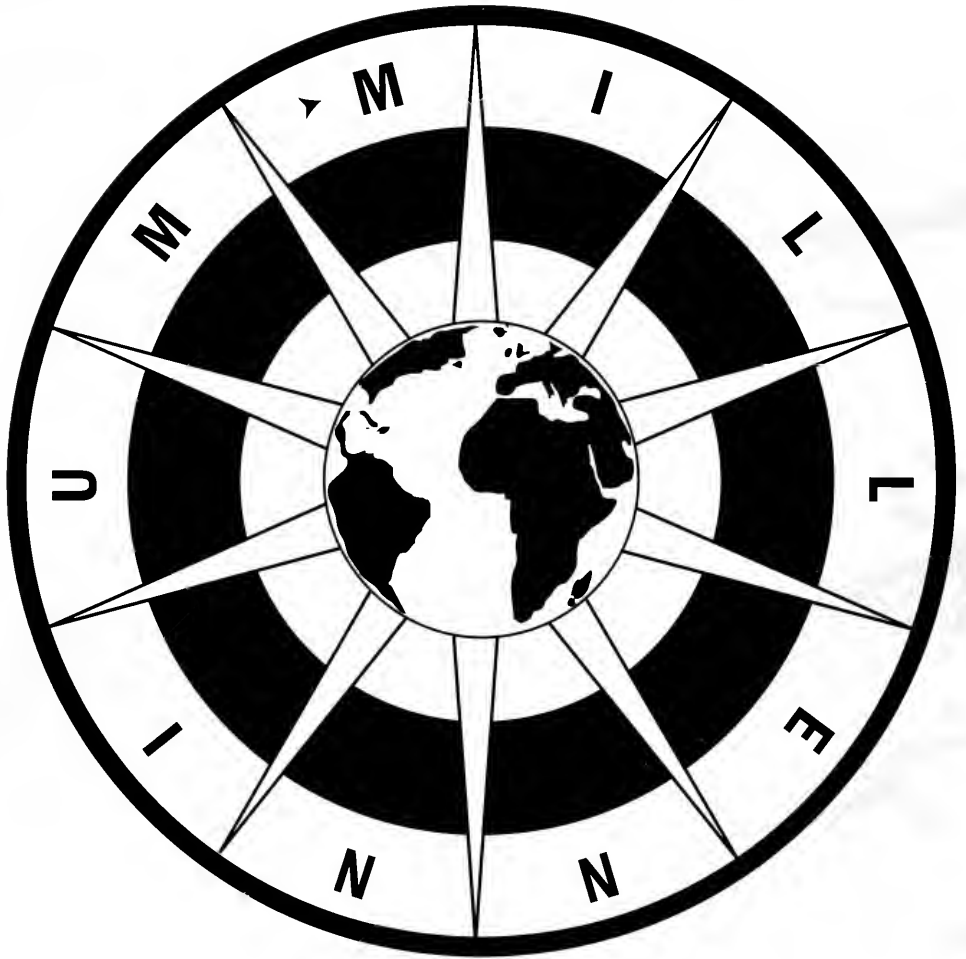

May God's loving, purifying grace cause us daily to shine brighter and brighter for Him, "lights to the Gentiles," until we complete our final transition into His presence.

Johnny V. Miller
President

YOU3888 is an experiential class designed to be used by God to equip the students with vision, passion and "know how" for short-term Cross-Cultural Ministry. This year's Study Tour was to the Dominican Republic. Our students were involved in mission studies, worship, children's ministry, youth ministry, evangelism and construction. God seemed to be at work in our group to bring unusual unity and mutual support. Our lives were deeply affected by living with people whose needs were great and their choices few. Yet, many of them were rich in faith, thus they became our models/teachers unaware.

The World Cup competition is held every four years. The 1998 games were held in France and the French team won the nation's first-ever World Cup title by defeating Brazil 3-0.

Terrorist bombs exploded at the American embassies in Kenya and Tanzania in late summer. The Nairobi bomb took place almost simultaneously with the bombing in Dar es Salaam and killed 247 people. Another 5,500 people were injured. A few arrests were made, but U.S. government officials say the man responsible was Osama Bin Laden. While Bin Laden, an exiled Saudi millionaire, was not charged in the bombing, U.S. officials suspect him of financing several terrorist strikes around the world.

Newt Gingrich was the first Republican to be re-elected Speaker of the house of Representatives since 1928.

Jesse Jackson was undoubtedly one of the more striking figures in American public life in the late twentieth century.

In September, the stock market's Dow Jones Industrial Average took a dive. Down 512 points - or 6 percent - in one day.

Hurricane Georges, ripped through the Florida Keys, the Gulf of Mexico, and slammed into Mississippi and Alabama.

Mark McGwire and Sammy Sosa, were in a home run derby. At the end of the season, McGwire, from the St. Louis Cardinals, won the home-run race with a record 70 home runs. Sosa, from the Chicago Cubs, hit 66 home runs.

President Bill Clinton became involved in a White House scandal with Monica Lewinsky that led to his impeachment and trial in the senate.

House Judiciary Committee Chairman Henry Hyde, a Republican from Illinois, led the House of Representatives in the impeachment of President Clinton. A trial to impeach the President was conducted.

Rep. Bob Livingston, a Republican from Louisiana, made a surprise decision to leave Congress just weeks before he was to become Speaker of the House of Representatives.

He announced that he had extramarital affairs that nearly destroyed his 33-year marriage.

Quarterback John Elway led the Denver Broncos to a 34-19 win against the Atlanta Falcons in Super Bowl XXXIII at Pro Player Stadium in Miami.

U.S. Senator John Glenn ended his long career in the Senate with a return to space.

Kenneth Starr was appointed as a Special Prosecutor to investigate President and Hillary Clinton's failed investment in an Arkansas real estate venture called Whitewater. A grand jury was called and that led to several other investigations that eventually focused on accusations that the President was involved in obstruction of justice and perjury.

Vice President Al Gore managed to distance himself from the grand jury investigation of President Clinton's activities.

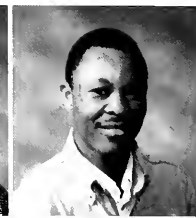

The New York Yankees won a record 24th World Series championship with a sweep of the San Diego Padres. They also finished the year with an overall record of 125-50. The best ever.

Pope John Paul II began his 21st year as Pope in the fall of 1998.
